Our ref: NAR/KIS/Incidentupdate/2025-26

07 November 2025

Good Afternoon

Following the incident at the end of the school day today we wanted to update you with the little information we know at this time.

As the bell went for the end of the day, we received a call from Northants Police advising us of an incident close to the school and asked we go into lockdown. Staff quickly retrieved any students who were leaving the site, closed and locked the gates.

Students were directed by staff to form rooms to be supervised by a member of staff.

We appreciate how worrying this must have been for families, but students' safety is always our utmost priority.

The majority of students behaved impeccably, listening to staff instructions and making their way quickly to the classrooms.

Once the police called to advise the situation was under control, students were allowed to make their way home. A text message was sent to parents/carers as soon as possible to advise of the ever-changing situation.

In assemblies and during tutor time next week, we will share with students the importance of a lockdown, why we need to do this and share as much information as we are able as to why we had to take this course of action.

I hope you all have a great weekend.

Best wishes
