Dear Parents/Carers

Invitation to the "Moving to Key Stage 4" Evening – Thursday 24th April 2025

We are delighted to invite you and your child to our "Moving to Key Stage 4" evening on Thursday 24th April. This important event has been designed to support both students and their families in preparing for the transition to Key Stage 4 (KS4).

The evening will provide an opportunity for students to gain a clearer understanding of the choices available to them and for parents to learn about the expectations of KS4 learning.

The event will include the following:

1. **A presentation in Form Groups:** We will begin with a presentation in form groups to explain the timeline for the KS4 options process, outline the next steps, and address any questions you may have about our KS4 curriculum and provision.
2. **An options Marketplace:** Following the presentations, parents and students will have the chance to explore a "marketplace" of different option subjects. Teachers from each department will be available to provide insight into the content and expectations of their subjects, helping you and your child choose the best pathway for their interests, strengths, and future aspirations.

We strongly encourage all Year 9 students and their parents/carers to attend this event, as it plays a crucial role in ensuring a smooth and informed transition into KS4.
