

Our Ref: HHU/KHU/Per6

Date: 3rd November 2022

Dear Parents/Carers

Further to the information shared at our very successful Year 11 evening last term, I am delighted to inform you that our Period 6 after-school intervention sessions will be starting from Tuesday 8th November.

These sessions will take place on the following days:

Tuesday	Maths
Wednesday	Science
Thursdays	English

The sessions will be 30 minutes long, running from 3.30pm to 4.00pm, and will be run by GCSE teachers and timetabled for Year 11 students only. They will be short and sharp, focusing on any gaps of learning identified by subject leads after term 1 assessment cycle.

All students are welcome to attend however some students will be identified by their subject teachers and will be requested to attend. The students who are identified specifically will be sent the intervention notification as a piece of homework via Go4Schools on the Friday before to inform them and you of the sessions the following week.

We hope you can support this initiative by encouraging attendance so all Year 11 students can reach their full potential. Please do not hesitate to contact me if you have any questions

Yours faithfully

Helene Huchet
Assistant Headteacher
