Dear Parent/ Carer

## Pastoral Teams Update and Communication

We would like to welcome all of our students back to school after the summer break and know that they, and you, may approach this with excitement and apprehension at the same time. The Pastoral Team is ready to welcome students, new and not-so-new, back to the Huxlow Community.

With some changes taking place due to staff departure from the school, promotion and other moves within the school, we want to share the structure of the new pastoral teams, so that you can contact and communicate with your child's Form Tutor and Head of Year with ease.

The tutor team for your child's year group is below, with relevant staff email addresses:

Year 10 – English/ MFL

On Tuesday 5<sup>th</sup> September, students in Year 10 will go to their allocated tutor room as mentioned above. Please be reminded also that the end of the school day will be at 3:20pm and as has previously been communicated.

Please reassure your child that we are here to listen, to help and support them to achieve their full potential as they return to Huxlow Academy after the summer break. We look forward to their continued growth as we all follow **The Huxlow Way** and display the core values of **Ambition, Pride and Respect**.

If you have any questions or concerns, please do not hesitate to get in touch.

Yours sincerely
