Dear Parents, Carers and Students

**Re: Year 11 GCSE Information Evening 2022**

The last 4 weeks have been busy for Year 11. In school, from day 1, staff have been working hard with students, providing guidance, advice, and support, which promotes effective revision, preparation, and organisation. Our students have been responding well to the teaching and support provided and have been keen to do well.

This is a vital year in your child's education, and we are committed to providing our students with the support they need to achieve the best possible outcomes in their examinations.

Year 11 students will have an early set of mock exams in their lessons starting next Monday (11<sup>th</sup> Oct), to give them an opportunity to evaluate how far they have progressed since last summer's mocks. Teachers will mark these papers and identify gaps in learning, which will inform your child's revision over the following weeks.

To further support the students, we are delighted to invite you to our **GCSE Information Evening on Thursday 20<sup>th</sup> October** in the school hall, **6:00pm to 7:30pm**. To book tickets please use this [link](#).

On the evening, there will be a presentation to share information about:

1. Revisions and recall techniques
2. A timescale of key dates throughout this year
3. Extra- revisions sessions
4. The Sixth Form offer
5. Well-being techniques

In addition, you will be able to meet your child's tutor and ask our Heads of department any questions you may have. You will also get the opportunity to look at practice exam papers and revision resources and take home a Huxlow revision bag.

We strongly encourage you to attend this event as it is an ideal opportunity for you to meet our team and ask any questions that you may have about supporting your child over this academic year.

As always, we appreciate your commitment to working with us to support your child.

Yours faithfully

Mrs Helene Huchet  
Assistant Headteacher
