

Music Tuition 2023/24

TERMS and CONDITIONS

- The commitment for music tuition is for the academic year 2023/24.
- Your child will receive 33 music lessons over the year. Music lessons will be 20 minutes per individual. Fees for the academic year 2023/24 will be **£447.00** in total which will be invoiced equally in 3 instalments at **£149.00** per term.
- If you are in receipt of Pupil Premium funding for your child, your contribution for the academic year 2023/24 will be **£147** in total which will be invoiced equally in 3 instalments at **£49.00** per term.
- Parents/carers are invoiced **at the beginning of each term, 3 times per year, and fees are required to be paid in advance before tuition commences.**
- Teacher absence is usually made up on an alternative date. If this is not possible, a reduction on your next invoice would be made.
- Reimbursement will not be made for missed lessons due to child's illness, absence or forgetfulness.
- **If, for any reason, you wish to cancel your child's music tuition during the academic year, a period of one term's notice in writing is required. You will still be liable for the music tuition payments for the remaining year unless we have a replacement for that lesson.**
- We will be obliged to remove a pupil from the timetable for music tuition for the following reasons:-
 - a) Not attending lessons regularly.
 - b) Not taking instrument home to practice/insufficient practice.**Please be advised that you will still be liable for the music tuition payments for the remaining year unless we have a replacement for that lesson.**
- Students are expected to attend and commit to the appropriate Academy ensemble, as lessons are subsidised by Huxlow.
- If an instrument has been loaned to your child, you are asked to cover this on your house content insurance policy.

Instrumental/vocal lesson times are rotated every week, and it is expected that students will undertake to make up the work missed from subject lessons. Where there may be clashes of interest (e.g. a Science test, or practical cookery) the student should request a change of lesson time in advance and we will endeavour to make this possible. Students should arrive promptly for music lessons and return swiftly to their class lesson afterwards.

All students are encouraged to make a positive commitment to their music lessons. They are expected to practice regularly (we suggest 10 – 15 minutes per day for beginners, whenever possible, increasing as they progress). Your child's music teacher will recommend a tutor book or music as required (which might cost around £6.00) and there may be occasional strings/reeds/valve oil needed according to the instrument.

By submitting the electronic form you will be agreeing to make payments as set out above in the terms and conditions for music tuition for the entire academic year 2023/24.
