

# WELCOME TO HUXLOW YEAR 7

As we begin this new month, new school year and a new school for our year 7's that have started with us this week, we want to take a moment to share some exciting updates of how year 7's have been getting on this week around school.

Student Learning Highlights: Our classes have been diving into new projects and topics, with students experiencing lessons they have not encountered before. They have had an insight into performing arts, french and design technology. We're proud of the creativity and curiosity our students are showing each day. Be sure to ask your child about what they've been exploring in class!

Upcoming Events: Please mark your calendars for our upcoming meet the tutor evening Year 7 Tutor Evening – Thursday 18th September, 3:40 pm – 6:40 pm. We look forward to seeing many of you there and celebrating our students' first few weeks at Huxlow.

Reminders: A gentle reminder to check that students come prepared each day with their supplies and dressed appropriately for the weather, as outdoor activities remain an important part of our daily routine. Students timetabled for PE, come to school in their school uniform and use changing facilities before and after their PE lesson.
