Introduction

It is the responsibility of the head of centre to ensure that Huxlow Academy has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that Huxlow Academy:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Huxlow Academy manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any declaration of interest via google form from all centre staff including invigilating staff and cleaning staff to identify and manage any potential conflicts of interest.

Declaration process

All Huxlow Academy staff are requested to complete and sign an electronic (google forms) Declaration of Interest annually to be submitted to the Exams Manager.

Managing conflicts of interest

- A conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log.
- The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process.
- The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
